

JASPER SIU

AT A GLANCE

Marketing and creative project professional with over 10 years of experience in integrated brand marketing, event planning, art exhibitions and spatial curation. Extensive background managing projects for commercial real estate, retail brands, cultural institutions and non-profit organisations, balancing resource integration, creative content and on-site execution.

Over 7 years of hands-on experience in graphic design and visual direction, capable of independently developing key visuals, brand identities/VIS, spatial

wayfinding systems and promotional materials, ensuring that each project presents a coherent and recognisable visual tone.

Experienced in collaborating with design teams and highly proficient in Adobe design tools, combining strong aesthetic judgment with efficient execution.

Has participated in multiple cross-regional and cross-cultural projects across Mainland China, Hong Kong and overseas, with continuous practical experience in art licensing, IP collaborations and urban space revitalisation, connecting creative expression with concrete business objectives.

CAREER HISTORY DIGEST

Jun 2023 - Jun 2025

Shanghai, China
Sage House Business Consultancy Ltd
Creative Project & Business Development Manager

Key Projects

- | | |
|------------------|--|
| Chengdu IFS | "Unboxing" exhibition (2023) |
| HZ Kerry Centre | "PEACE BY PIECE" Christmas (2023) |
| Lee Gardens (HK) | "Glom Glom all the way" Christmas (2023) |
| AIRSIDE (HK) | "Chow Sang Sang 90th Anniversary" (2024) |
| Beijing Taikooli | "Lets smile"Christmas & CNY(2024-25) |

Led several large-scale brand exhibitions and art installations, from early creative concept development, venue coordination, timeline and budget planning to client presentations and on-site execution.

Developed complete visual systems for exhibitions and brand events, including key visuals, wayfinding systems, social media creatives, on-site materials and limited-edition premiums, guiding design and production teams to ensure high-quality delivery.

Managed project timelines and budgets, created detailed schedules, coordinated suppliers and feedback loops to ensure key milestones were met and overall efficiency improved.

Organised and managed collaborations with international artists, coordinating visual integration across different cultural contexts and translating artistic language into commercially viable solutions.

Planned and drafted submissions for multiple international marketing and creative awards (including the Asia-Pacific Stevie Awards), contributing to the company winning "Asia-Pacific Stevie Awards – Gold Award for Most Innovative Advertising or Marketing Agency" for three consecutive years.

Explored and developed brand collaboration opportunities across Mainland China, Hong Kong, Australia, Singapore and other markets, building long-term, stable business networks.

CAREER HISTORY DIGEST

May 2021 - Feb 2022

Chengdu, China
Chengdu City Regen
Commercial Management Co Ltd
Marketing Manager

- Participated in the urban renewal project of Yulin East Road, covering neighbourhood cultural research, visual positioning, tenant/brand recruitment strategies and marketing campaigns, helping transform the area into a new local gathering spot.

Led the establishment of the district’s brand identity and visual system, including logo design, colour and typography guidelines,
- street wayfinding and promotional materials, creating a unified and distinctive image.

Worked closely with government departments, developers and sub-district offices, managing approvals, resource coordination and policy alignment to ensure effective integration between design output and urban policies.

Oct 2019 - Jan 2021

Guiyang, China
HLC Commercial Estates Group / Garland Commercial Management Company Ltd.
Marketing Manager

- Planned and executed an integrated marketing and promotional cocktail event with a budget of RMB 3 million, achieving total project exposure of 255 million.

Created and standardised brand visual systems for new commercial projects, including shopping centres, high-end residences, office buildings and hotels, enhancing the group’s overall brand consistency.
- Built an internal visual delivery workflow, defined design procedures and standard templates, improved response speed and saved the group over RMB 500,000 per year in outsourced design costs.

Supported the communication strategy and marketing execution for the introduction of Galeries Lafayette to Guiyang, including promotional campaigns and launch events for the French high-end department store brand.

“ Jasper is a creative, dedicated and collaborative marketing and design talent, he is for sure a valuable team member to have. ”

Yesi Kwee

Senior Manager (Marketing & Promotion)
Shanghai Jing An Kerry Centre
REF#: +86 198-9652-8038

CAREER HISTORY DIGEST

Oct 2015 - Mar 2019

Toronto, Canada
Pumpkin Seed Solutions Inc.
Co-Founder

Founded a multicultural event planning and brand promotion company serving local Asian communities and Asian brands entering the North American market, responsible for brand positioning, project planning, client communication and execution management.

Led large-scale community events such as the “Toronto Night Market”, managing vendor recruitment, booth operations, on-site flow design and stage programming; individual events attracted 10,000+ visitors and received coverage from mainstream media including the Toronto Star.

Developed market entry strategies in Canada for brands such as MINISO and Nin Jiom (京都念慈菴), covering local visual design, exhibition booth design, offline event execution and social media management.

Designed posters, banners, booth installations, interactive photo spots and limited-edition souvenirs, producing bilingual (Chinese/English) communication content to enhance cultural relevance.

Produced bilingual advertising banners, brochures and official websites to support campaigns, aligning language and visual style with target audience preferences.

Contributed to digital marketing projects, developing online advertising creatives and optimising visuals across WeChat, Facebook and Google Ads to improve click-through and engagement.

Supported brands participating in cultural festivals, real-estate expos and education fairs, handling booth design, staff arrangements and full-process preparation of promotional materials and on-site execution.

CAREER HISTORY DIGEST

Mar 2012 - Mar 2015

Hong Kong, China

Playright Children's Play Association

Play Officer

Served as project officer for children's play programmes in collaboration with charitable foundations, promoting the concept of children's right to play and free space through the "Free Play" advocacy programme.

Led teams to operate mobile play-van services for children from low-income families, responsible for game and scene design, on-site interaction, behavioural guidance and safety supervision.

Collaborated with schools, the Education Bureau and social-welfare organisations to promote "Free Play Day" events on campuses and organised multiple talks and professional Playwork training programmes for teachers, social workers and parents.

Prepared educational brochures, activity reports and partnership proposals, helping the projects secure funding from multiple charitable organisations.

Jan 2011 - Mar 2012

Hong Kong, China

Harbour City Estates Ltd.

Promotion and Advertising Assistant

Assisted in major festive events, exhibitions and brand collaborations at Harbour City, including "KAWS: Passing Through" and the "Rubber Duck" installation, attracting large numbers of local and overseas visitors.

Supported various tenant joint promotions, from early communication, project workflow and spatial layout to on-site coordination, ensuring campaigns met the mall's brand

standards.

Drafted bilingual (Chinese/English) promotional copy and supported the design of KVs, lightbox posters, leaflets and social media visuals, ensuring visual consistency and clear messaging.

Assisted the marketing team with media and PR activities, including media invitations,

interview arrangements, press release and media kit preparation, increasing event exposure and buzz.

Helped manage social media content during holiday campaigns, monitored online engagement, summarised audience feedback and user-generated content (UGC), and provided optimisation suggestions for future campaigns.
